WHAT IS MOBIPARK?

Premium electric-assist bicycles that combine motorcycle-inspired design with everyday convenience.

DRESS YOUR RIDE.

MAKE EVERY TRIP PART OF YOUR STYLE.

MOBIPARK is an E-BIKE brand built around a simple idea: your ride should be part of your lifestyle. Its bold, motorcycle-inspired styling is paired with the comfort and practicality of an electric-assist bicycle.

From commuting and shopping to sightseeing and casual rides around Okinawa, MOBIPARK offers a new way to enjoy the journey itself.

NO LICENSE

Driver's license not required

YOUR RIDE. YOUR STYLE.

The full lineup includes six models and nineteen color choices.
Ask our staff to help you find the right MOBIPARK for your style.

BUILT FOR JAPAN

MOBIPARK E-BIKES sold in Japan are configured for the requirements that apply to electric-assist bicycles.

NO DRIVER'S LICENSE REQUIRED

MOBIPARK is an electric-assist bicycle, not a moped. The motor supports your pedaling rather than operating as a stand-alone throttle drive.

● PUBLIC ROADS

Designed and configured for public-road use in Japan as an electric-assist bicycle.

● ASSIST SYSTEM

Motor assistance operates within the limits applicable to electric-assist bicycles in Japan.

● TRAFFIC RULES

Bicycle traffic rules apply. Ride on the left side of the roadway and follow signs, signals and local rules.

● HELMET

Helmet use is strongly recommended. Japan asks bicycle riders to make an effort to wear a helmet.

IMPORTANT

Traffic rules and model-specific conditions may vary. Please follow current Japanese laws and staff guidance when riding.

WHY CHOOSE MOBIPARK?

Designed to stand out. Built to be easy to enjoy.

01 MOTORCYCLE-INSPIRED STYLE

A distinctive look that feels different from a conventional bicycle.

02 NO DRIVER'S LICENSE REQUIRED

Enjoy electric-assist mobility without a motorcycle license.

03 6 MODELS • 19 COLORS

Choose the model and color that match your lifestyle.

04 FAT-TIRE CONFIDENCE

Wide tires contribute to a stable, comfortable feel on the road.

05 TRY BEFORE YOU BUY

Free test rides let you experience the fit, handling and assist before ordering.

06 IN-STORE SUPPORT

Talk with our staff about models, colors, purchasing and after-sales support.

TRY IT. FEEL IT. CHOOSE YOUR MOBIPARK.

Free test rides are available at Shiraishi ENEOS Chatan Mihama.

TRY BEFORE YOU BUY

Experience MOBIPARK in Chatan before choosing your own E-BIKE.

BEFORE YOU RIDE

Please follow staff instructions and Japanese traffic laws. Riding may be unavailable due to weather, congestion or safety conditions. Appropriate footwear is required. Riders under the influence of alcohol may not ride.

FREQUENTLY ASKED QUESTIONS

Key information for riding, charging, warranty and test rides.

Q ■ Can I ride on public roads?

Yes. MOBIPARK E-BIKES sold in Japan are configured for public-road use as electric-assist bicycles.

Q ■ Do I need a driver's license?

No. A driver's license is not required for a legal electric-assist bicycle.

Q ■ Is it the same as a moped?

No. MOBIPARK uses pedal-assist operation and is legally different from a moped that can travel by motor power alone.

Q ■ Can I ride on the sidewalk?

As a general rule, bicycles ride on the left side of the roadway. Sidewalk riding is allowed only in situations permitted by Japanese law.

Q ■ How far can I ride on one charge?

Range varies by model, assist level, rider weight, road conditions, temperature and other factors.

Q ■ Can I ride in the rain?

Electrical components are designed with water resistance in mind, but prolonged outdoor exposure should be avoided when storing the bike.

Q ■ How do I charge the battery?

Charging methods vary by model. Some charge on the bike, while others use a removable battery.

Q ■ Is there a warranty?

Yes. Warranty coverage is available. Please confirm the current terms and member-registration benefits at the time of purchase.

Q ■ Can I take a test ride?

Yes. Free test rides are available at Shiraishi ENEOS Chatan Mihama. Advance contact is recommended.
